

## **Housing is a Human Right (73 Words)**

WHEREAS there is an affordable housing crisis across the State of Wisconsin; and,

WHEREAS many families spend over half their income on rent; and,

WHEREAS safe, stable, long-term housing is the foundation on which recovery from struggles with mental health, unemployment, addiction, and physical health can be built;

THEREFORE, RESOLVED that the DPW recognizes housing as a human right and supports legislation that provides all people with safe, stable, long-term, and affordable housing.
